## **APPENDICES, VOLUME 1 OF 2 [Main Volume]**

**Note: This Main Volume is intended to be included with all print copies and digital copies of the Design Report. It contains appendices that are considered “attached” to the report, as they are necessary for the basic understanding of the report and approachable to all readers, including the general public.**

**Appendices of a highly technical nature or of excessive length are provided in volume 2, the Separate Volume. The Separate Volume is included in print only with those report copies intended for agency review. The typical reader will not need to read those documents.**
